

Delta Profil

iF Product Design Award 2013

Design experts from across the world honour the Paulmann Delta Profil with the iF product design award. The international jury awards the globally recognised seal of quality to products of excellent design.

2013

Illuminated baseboards as highlights

- ▶ The triangular profiles with YourLED Stripes for illuminated baseboards, closing edges, undercabinets and other applications.
- ▶ The high-quality aluminium profiles have been coated with Eloxal for protection against dents or scratches.
- ▶ Delta Profils can be individually cut to length and are compatible with all of the LED strips in the YourLED assortment.

A range of lighting effects are possible, depending on the placement.

Innovative designs for decorative room illumination

1 length 1 m and 2 m (cut to any length).
Incl. diffuser for uniform lighting effects.
